***“Oh Where Oh Where did our Newsletter go, Oh Where oh Where can it be”???????***

Well it’s time to put your thinking caps on and start thinking about what you want to contribute to the Ontario Steelheaders Spring 2019 newsletter.

I’m hoping to publish this newsletter ~ the end of February 2019, so if you could all get me your submissions by the end of January 2019, that would be very helpful. I require typed formats on Word Format to be sent to me via E-mail.

Subject matter is wide open (as long it is appropriate and relevant), and if you know of anyone who would like to contribute to the newsletter, feel free to pass on this information and ask them to contact me.

Best Regards,
